STATINTL

[] briefed members on the status of color evaluation. The team is presently evaluating NTP targets. Results of evaluations will be entered on computer cards for statistical study upon completion of the program. IAS and IEG analysts will be contacted for assistance when the team enters fields in which they are not experts.

DISSEMINATION OF IAS NOTES OUTSIDE CIA

Members decided against dissemination of Notes outside CIA because they sometimes contain information contrary to that found in the CIB and they could generate duplicate reporting by non-CIA production offices.
